

AUDIO: ANGEL: 'Lets get this over and done with'

AUDIO: ANGEL: 'Now that's a fucking long way down... would make a real mess. Best make sure you got some ID on you'

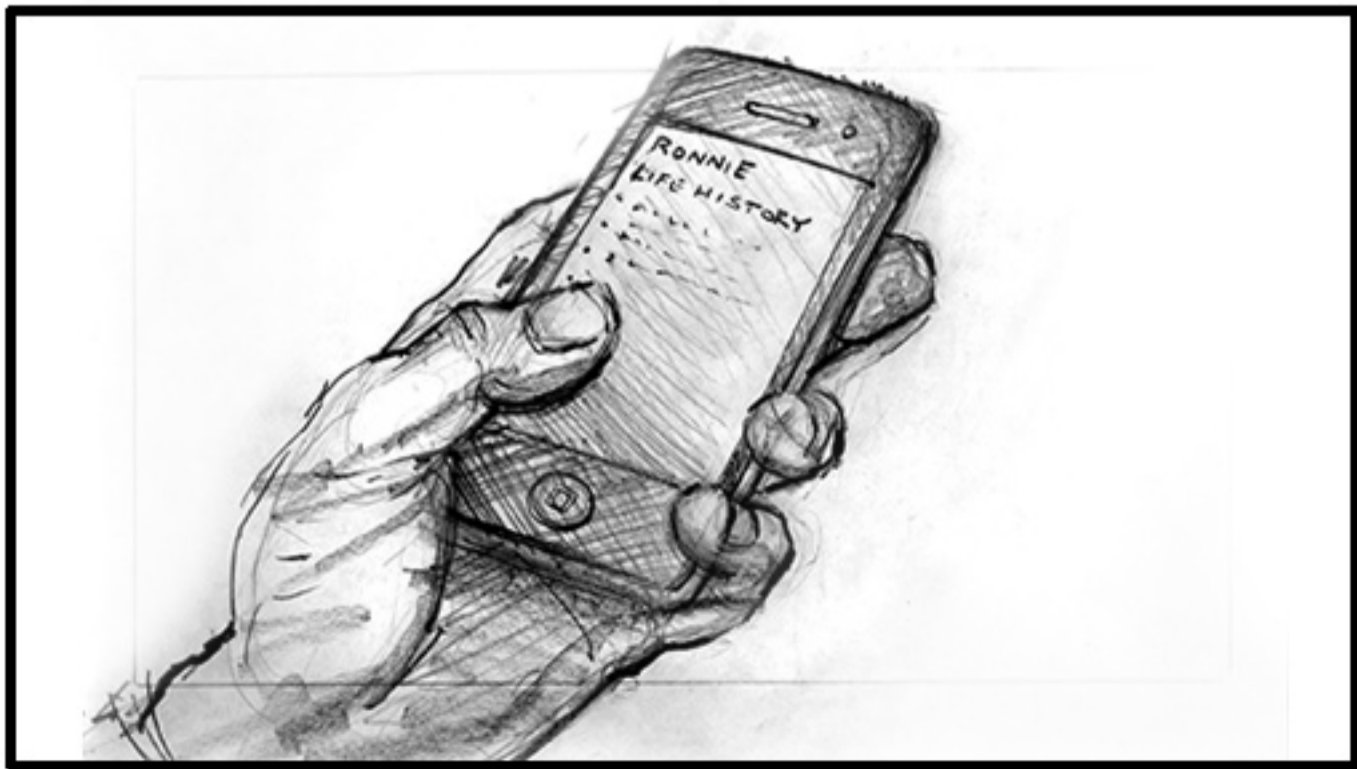

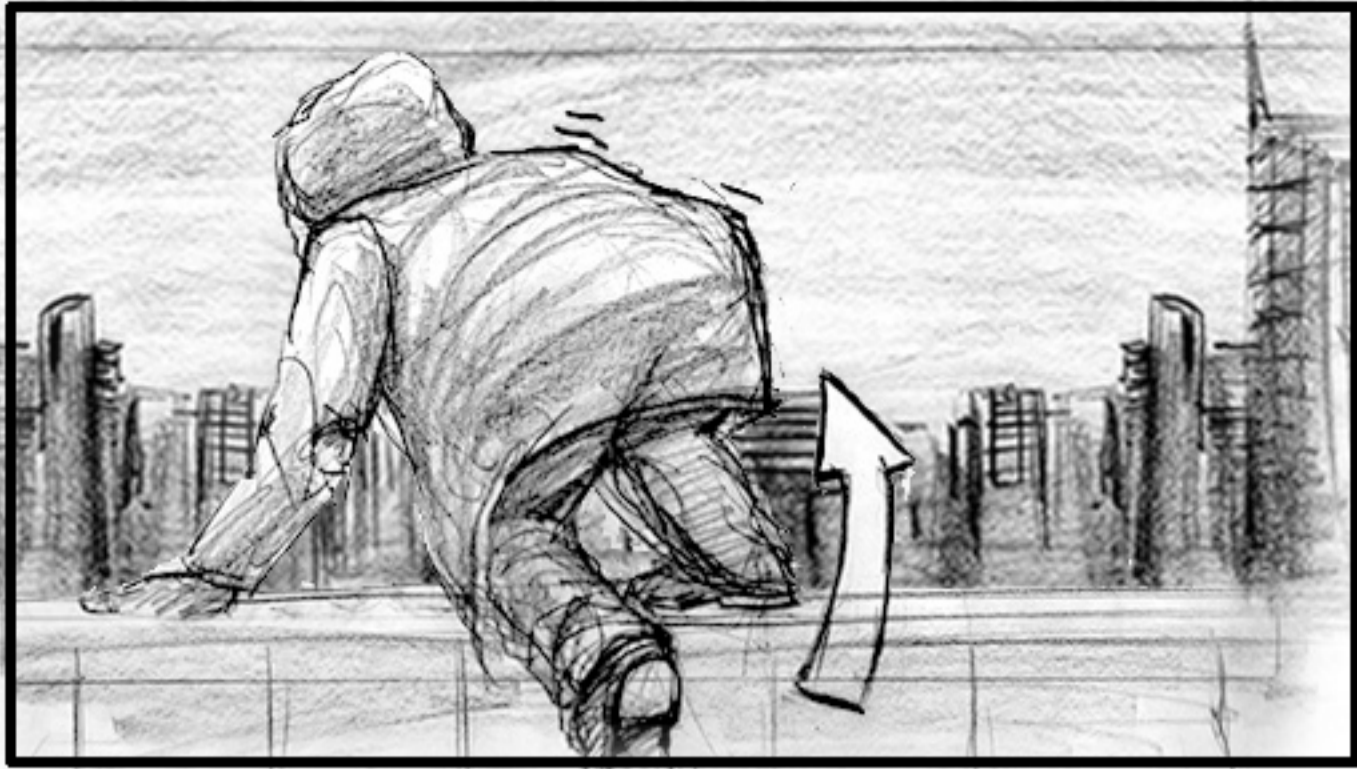

AUDIO: ANGEL: 'There's nothing too incriminating in your file here, boy'

AUDIO: RONNIE: 'Just piss off will ya!'

AUDIO: RONNIE: 'Easy for you to say... it's a bloody long way down there.'

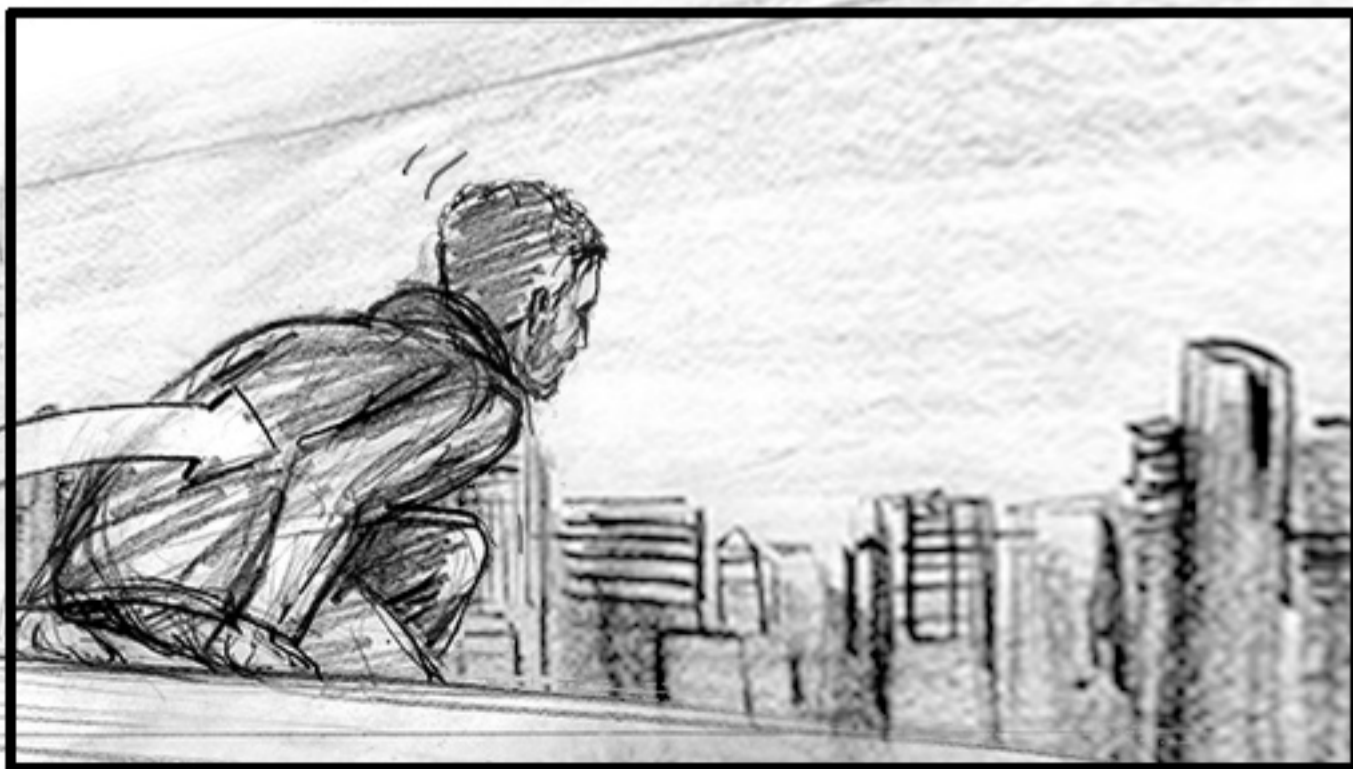

AUDIO: ANGEL: 'Ya didn't come up here to break a fucking toe nail now, did you?'

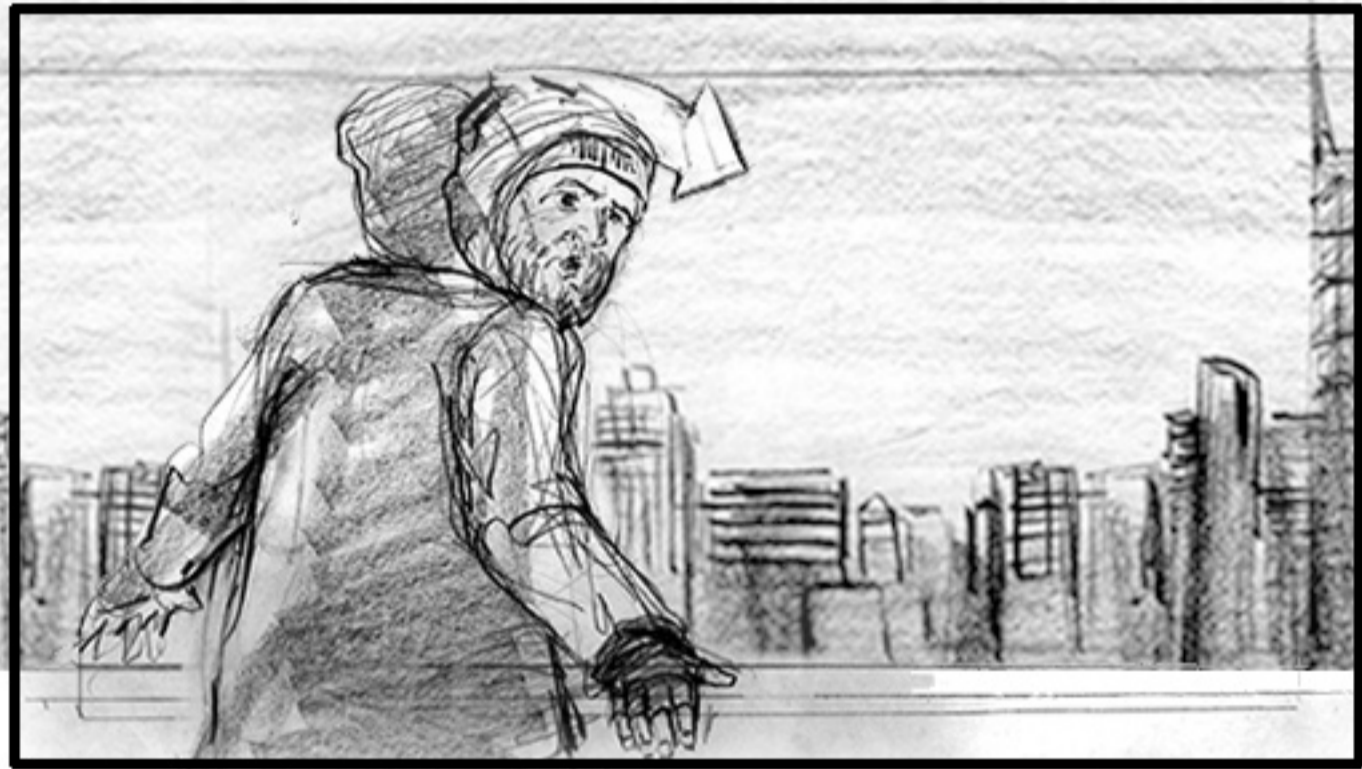

AUDIO: RONNIE: 'Easy for you to say... it's a bloody long way down there.'

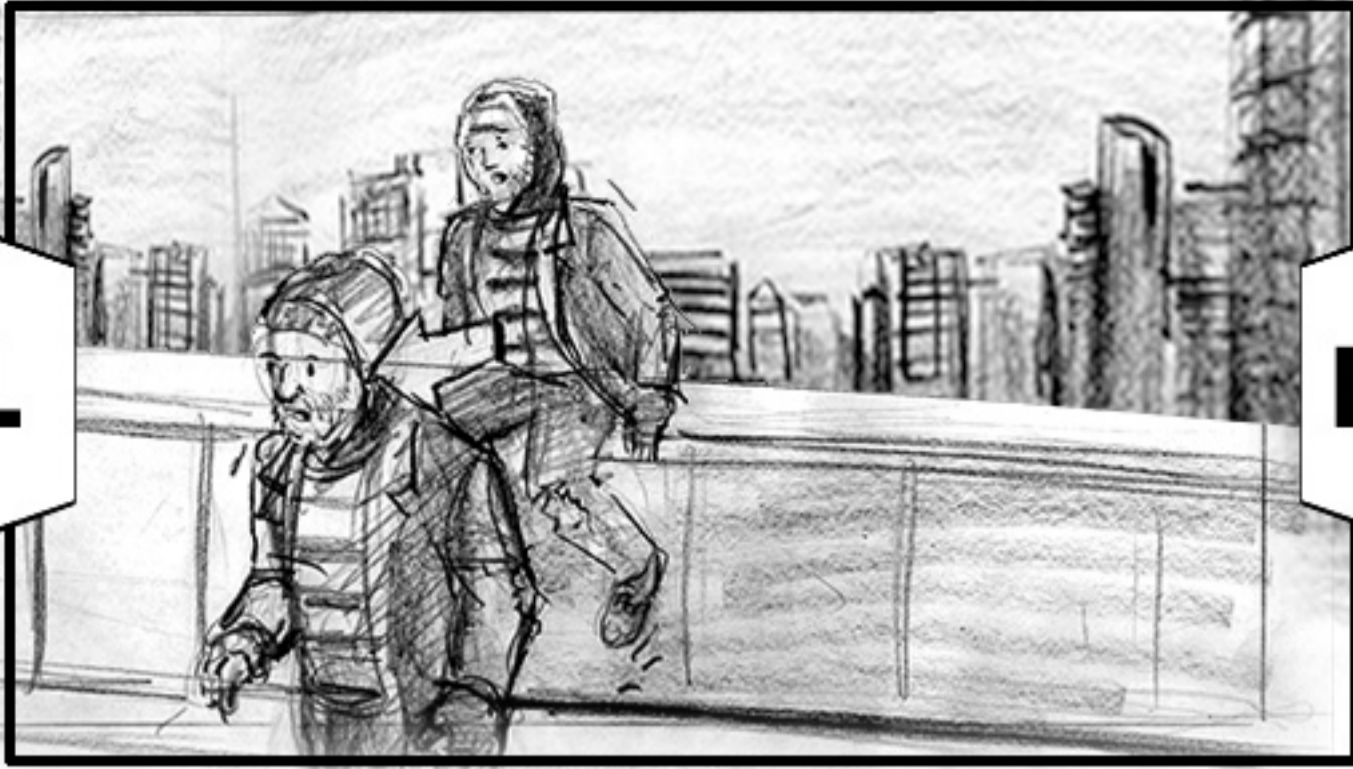

AUDIO: ANGEL: 'But what? What are you making excuses for? It's easy, you just jump...'

AUDIO: ANGEL: 'What? You think I'm gonna waste a bloody expensive cigarette on a man whose about to jump to his death?.'

AUDIO: ANGEL: 'You know, when I was down here, I faced some pretty heavy shit too. Sat on a ledge like this myself once. Looking down can be very daunting'

AUDIO: ANGEL: 'Now, are you gonna do it or not?'

AUDIO: RONNIE: 'Of course I'm gonna do it! I just need time to think.'

AUDIO: ANGEL: 'She was a little cutie alright.
Gorgeous little curls.'

AUDIO: RONNIE: 'She was my little girl, I... I shouldn't have taken her there in the first place.'

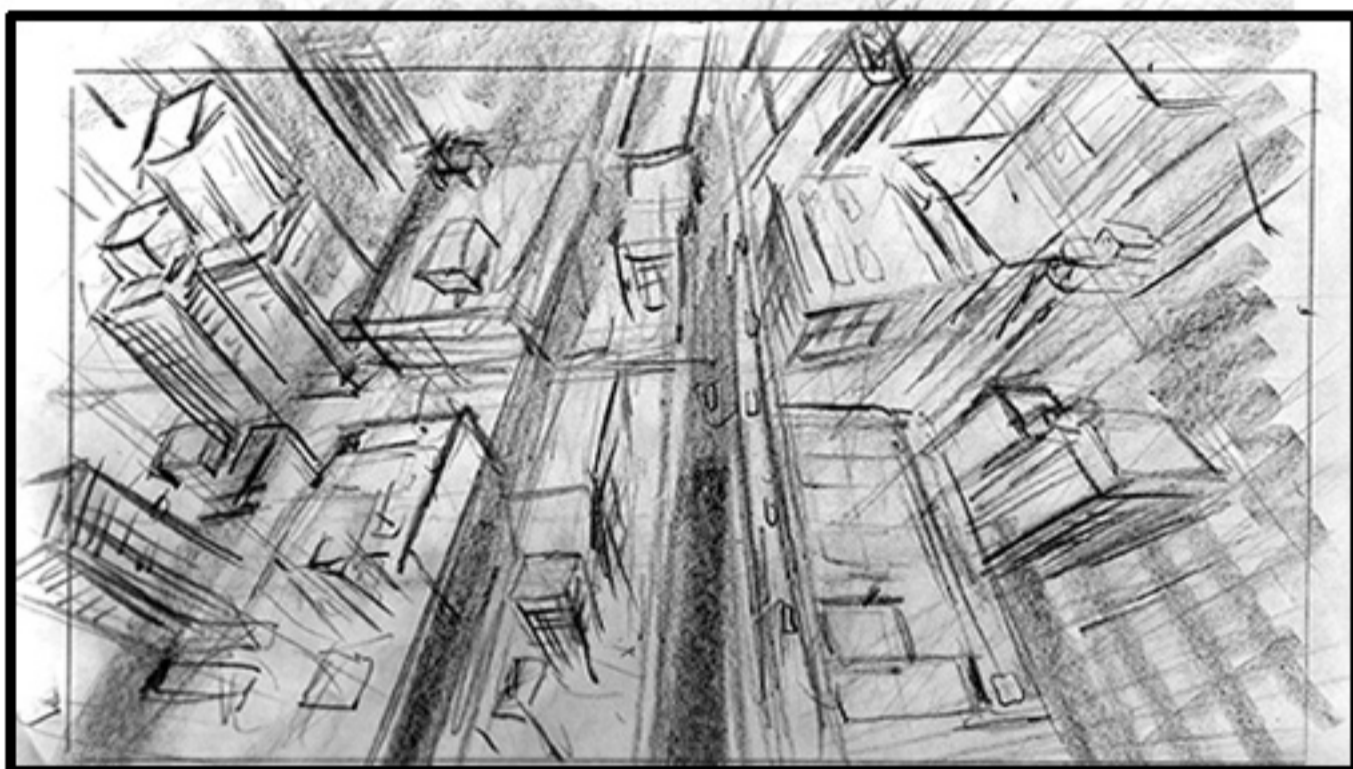

AUDIO: ANGEL: 'If for Christ sakes boy, get back from the edge, you could bloody-well fall..'

AUDIO: RONNIE: 'Isn't that why I'm here? You're right, I should just jump.'

AUDIO: ANGEL: 'Me, right? Never! I'm just a fucking whiskey drinking, cigarette smoking angel - what the fuck would I know?'

AUDIO: ANGEL: 'It's a fucken long way down there boy. If you jump it'll hurt more than however you're feeling now.'

AUDIO: ANGEL: 'The speed you fall at will feel like your face is ripping right off..'

AUDIO: RONNIE: 'Sounds about what I deserve.'

AUDIO: RONNIE: 'He took away everything from me...'
